

Name: _____

School: _____

NY Regents Physical Settings- Earth Science Learning Path

Fordham Earth Science 1- 1 credit

	Date Completed	Mastery test grade
<input type="checkbox"/> 1. Fossils and the Geologic Time Scale (with Assessments)		
<input type="checkbox"/> 2. Properties and Sources of Energy (with Assessments)		
3. Looking at Earth's Features (with Assessments)		
<input type="checkbox"/> 3.1. Earth's Composition (with Assessments)		
<input type="checkbox"/> 3.2. Supporting Life: Earth's Surface and Landforms (with Assessments)		
<input type="checkbox"/> 3.3. Mapping (with Assessments)		
4. The Energetic Earth (with Assessments)		
<input type="checkbox"/> 4.1. Plate Tectonics and Earth Movements (with Assessments)		
<input type="checkbox"/> 4.2. Earthquakes (with Assessments)		
<input type="checkbox"/> 4.3. Volcanoes (with Assessments)		
5. Rocks and Soil (with Assessments)		
<input type="checkbox"/> 5.1. Rocks and The Rock Cycle (with Assessments)		
<input type="checkbox"/> 5.2. Weathering, Soil, and Erosion (with Assessments)		

Fordham Earth Science 2- 1 credit

	Date completed	Mastery test grade
1. Water in Our World (with Assessments)		
<input type="checkbox"/> 1.1. The Cycle and Movements of Water (with Assessments)		
<input type="checkbox"/> 1.2. The Oceans (with Assessments)		
<input type="checkbox"/> 1.3. Fresh Water (with Assessments)		
<input type="checkbox"/> 2. Human Impacts on the Environment		
3. Weather and Atmospheric Processes (with Assessments)		
<input type="checkbox"/> 3.1. The Atmosphere (with Assessments)		
<input type="checkbox"/> 3.2. Weather (with Assessments)		
<input type="checkbox"/> 3.3. Climate (with Assessments)		
4. Earth, Space, and the Universe (with Assessments)		
<input type="checkbox"/> 4.1. The Solar System (with Assessments)		
<input type="checkbox"/> 4.2. The Sun, Earth, and Moon (with Assessments)		
<input type="checkbox"/> 4.3. Space: Stars, Galaxies, and the Universe (with Assessments)
